### ACP's 2024 Advocacy Priorities

ACP's advocacy priorities seek to promote policy reforms on the federal level through legislative, regulatory, and executive actions that benefit the overall health and well-being of patients, physicians, and the practice of internal medicine. Read about our eight [priorities for 2024](#).

### Advocates for Internal Medicine (AIM) Network

The grassroots advocacy AIM Network helps members engage with their lawmakers on policy issues important to ACP and internal medicine. See our active federal alerts or sign up for the AIM Network on our [Legislative Action Center](#).

### State Health Policy Toolkits

ACP has developed [state health policy toolkits](#) on more than a dozen key topics that include additional information on ACP's position and advocacy on each issue, federal and state trends, links to resources where you can learn more, and tools you can use to take action on that issue.

### The Advocate

The ACP Advocate is a bi-weekly e-newsletter that provides ACP members with news about public policy issues affecting internal medicine and patient care. View the most recent edition and the archive on ACP's website.

### Policy Compendium

Check all of ACP's [current public policy positions](#) in this comprehensive collection. All policy statements referenced in the compendium have been approved by ACP's Board of Regents.

### Advocacy Assistance Request Form

This [form for ACP members](#) connects you with staff in ACP's DC office for support with policy questions. For questions not addressed by the policy compendium or toolkits, our staff is happy to assist.

### State Health Policy Webinars

ACP hosts regular webinars for the Advocates for Internal Medicine Network to discuss policy developments and ACP's advocacy priorities, please save the date for the next webinar on Tuesday, July 30 at 3:00 PM EST. You can also [view recordings of all our webinars](#), including our most recent webinar from March.
